

Dear Friend,

Online registration for The 18th Annual Family Cafe is now open at www.FamilyCafe.net!

Visit our site at www.familycafe.net and sign up to attend this year's Annual Family Cafe, which is set for June 10-12 in Orlando.

As always, The Annual Family Cafe will bring together a truly staggering array of information, training and resources in a single location where families like yours can find out about what services and supports are available, interact with state agency representatives, and network with other families from throughout Florida that share your experiences. In addition to a **full slate of breakout sessions** on all manner of disability-related topics, a series of **engaging keynotes**, and policy discussion at **The Annual Governor's Summit on Disabilities**, The 18th Annual Family Cafe will also include an **assistive technology demonstration room**, hosted through our partnership with **FAAST**, and a number of **adaptive recreation activities**, thanks to the assistance of our friends at **FDOA**.

The Annual Family Cafe is moving to a **fantastic new location** this year, the **Hyatt Regency Orlando**. To make a reservation, contact the Hyatt Regency Orlando at **1-800-233-1234** and make sure to mention to The 18th Annual Family Café to reserve a room in our block at the special conference rate of \$119/night. You can also reserve a room by visiting the Hyatt's special Family Cafe room reservation site at <https://resweb.passkey.com/go/FamilyCafe2016>.

We are also continuing the practice of offering limited **financial assistance** to attendees to cover the cost of their hotel stay. **To request financial assistance, simply note your request on the registration form. Recipients will be selected by lottery, and notified of their status in April.**

(Please note, **if you already registered by mail or fax, there is no need to register again online.** Whether you register by mail, fax or online, your chances to receive financial assistance remain the same.)

The 18th Annual Family Cafe promises to be a truly remarkable event for Floridians with disabilities and their families, and we very much hope you will be able to attend. The first step to making that happen is to register! So please **visit our site at www.familycafe.net** to register your family to be part of Florida's premier cross-disability event this June!

Thanks,
